Resource Person: Mr.A.MARIMUTHU,President MAHA GANAPATHY PRECISION ENGINEERING TAMILNADU

Event Report: 20.01.2018, A Guest lecture was organized by Department Of Mechanical Engineering on “Entrepreneurship Development Programme”

The event commenced by the arrival of Dr.S. Senthil Murgan (Asst.Prof) and Dr.Ch.Shashikanth(Hod- Mech).HOD introduced the Chief Guest and informed to the students that Entrepreneurship is a process of identifying and starting a business venture, sourcing and organizing the required resources and taking both the risks and rewards associated with the venture

Resource Person: Mr.A.MARIMUTHU discussed that the objective of this session was to motivate students towards entrepreneurship as it can create employment for the future generations. The lecture was organized to raise basic awareness of entrepreneurial concepts and to enable students to identify and learn how to make a mindset to take up entrepreneurship as a career.

The facilitator introduced the concept of entrepreneurship by focusing on myths related to it and the different aspects of entrepreneurship such as entrepreneurs are born not made, entrepreneur fit an ideal profile, all you need is money to be an entrepreneur, all you need is luck to be an entrepreneur and another is that great idea is the only ingredient in a recipe for business. He mentioned that the reason that people do not start their new ventures in a country like India is due to non-awareness amongst the population of India and decides to go for jobs in private or government sector so as to minimize the risk.
