Greetings from the TCS Mumbai Campus Recruitment Team !!!!

CodeVita - A nationwide Coding contest for all students of batch 2014,2015,2016,2017 i.e right from 1st year to 4th year.

Target Registrations for the institute :

Students need to generate DT no.s

S.no.	Steps
1	Go to the link https://nextstep.tcs.com/
2	Click on New Candidate-Register Here Tab
3	Click On Off Campus Applicants
4	Complete the registration form and select nearest test location as Mumbai only
5	The test location needs to be selected as Mumbai only since your institute comes under the purview of TCS Mumbai Branch
6	Choose your password according to the password policy, your password should be a combination of small letters , capital letters,special character and numerals. For Example July@2013
7	DT number and password will be sent on the primary email id given while completing the registration form
8	Login to your Email Account and note down your DT No. and Password
9	Again Go to the link https://nextstep.tcs.com/
10	Login with the DT no. and password received in the mail under the subheading of registered candidates
11	Click on the tab of Campus commune on the left hand side
12	Click on the tab of Launch Campus Commune at the bottom--Most Important Step.
13	Go to the link of Codevita-TCS Mega Coding Contest.

14	Register yourself for the contest and form your 2 member team
15	A DT No. candidate can form a team only with a candidate having a valid DT no.
16	A DT No. candidate cannot form a team with a candidate having a CT no.

A detailed brochure explaining the eligibility and pre-requisites for the contest is attached in the file.

Important Highlights :

- **It is open for all the students right from 1st year engineering students to the 4th year engineering students.**
- **It is open for all the engineering specializations.**
- **Registration and Team Formation has been started.**
- **Nearest Test Location has to be selected as Mumbai for DT candidates**
- **Grand Finale would be held in Mumbai.**
- **A team would consist of 2 members only.**
