Sree Chaitanya College of Engineering
LMD Colony, KARIMNAGAR-505 527

VISION, MISSION OF DEPARTMENT OF CIVIL ENGINEERING

VISION:

To nurture an academic and research environment that will excel the students in the civil engineering discipline.

MISSION:

To produce competent civil engineers with proficient technical knowledge and practical exposure.

To equip students with contemporary skills and prepare them for the dynamic industrial landscape.

To stimulate students as entrepreneurs in the field of Civil Engineering

To offer expert solutions to infrastructure challenges for the benefit of society

VISION, MISSION OF DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

VISION:

To produce globally competent technocrats to address the challenges and to contribute sustainable socio-economic development in the field of electrical and electronics engineering.

MISSION:

To impart technical knowledge to students through quality teaching – learning to cope up with challenges in electrical engineering.

To provide career opportunities for students in the field of electrical and electronics engineering.

To stimulate faculty and students in the direction of research.

SREE CHAITANYA COLLEGE OF ENGINEERING

(Approved by AICTE, New Delhi, Affiliated to JNTUH, Telangana, INDIA-505527)

VISION, MISSION OF DEPARTMENT OF MECHANICAL ENGINEERING

VISION:

To be a center of excellence in the field of mechanical engineering to meet the dynamic requirements of Industry.

MISSION:

Transmit quality education and skills to bring-up competitive mechanical engineers.

Carving the students technically, ethically and emotionally strong.

To pioneer students as entrepreneurs by providing entrepreneurial skills

VISION, MISSION OF DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

VISION :

To be a center for excellence in the field of Electronics and Communication Engineering to create professional engineers.

MISSION :

To provide quality teaching-learning methodologies to make students competitive and innovative for adapting industrial needs and higher studies.

To inculcate professional ethics, team spirit and leadership qualities to succeed in dynamic technological world.

To have concern for environment pertaining to electronics and communication engineering design and practice

SREE CHAITANYA COLLEGE OF ENGINEERING

(Approved by AICTE, New Delhi, Affiliated to JNTUH, Telangana, INDIA-505527)

VISION, MISSION OF DEPARTMENT OF COMPUTER SCIENCE ENGINEERING

VISION:

To produce technically competent software professionals capable of providing innovative solutions.

MISSION:

To impart quality technical education with expertise in emerging technologies

To mould the students as software professionals, researchers and entrepreneurs through professional training

To inspire the students for team work with sense of societal and ethical responsibilities.

VISION, MISSION OF DEPARTMENT OF COMPUTER SCIENCE DESIGN

VISION:

To produce globally competent software design engineers with cutting edge technologies and data-driven solutions.

MISSION:

To provide a strong learning platform for designing and developing software by innovation

To make the students industry ready by training on latest technologies

To produce responsible engineers in digitalized society with moral values.

SREE CHAITANYA COLLEGE OF ENGINEERING

(Approved by AICTE, New Delhi, Affiliated to JNTUHI, Telangana, INDIA-505527)

VISION, MISSION OF MASTER OF DEPARTMENT OF MCA

VISION:

To produce world ready young IT professionals with global competencies.

MISSION:

To offer value-based education to bridge the gap between industry and academia.

To provide excellent teaching, learning, research, and developmental activities

VISION, MISSION OF DEPARTMENT OF BUSINESS MANAGEMENT

VISION:

To be a centre of excellence in Management Studies and generate competent Management professionals, ethically responsible leaders and entrepreneurs to the nation

MISSION:

To foster excellence by offering the quality education in business management

To instill managerial, leadership and entrepreneurial skills with a zeal/passion to attain excellence in business administration

To cultivate personal integrity with ethical consciousness for the nation building among management professionals

To enhance employability and provide adequate opportunities to students for gainful employment.
